Waste Management to resume bulk collection May 11, 2020

No one can reliably predict the length of this emergency event, when potential service disruptions may occur, including another suspension of bulk collection and other services, or how long they may last. Waste Management will continue to provide prompt notice of operational capabilities as they occur.

Bulk Item Collection Service Must be called in to the Village Hall at 576-3941 and scheduled 24 hours in advance. Additional charges apply at \$35 and up.

Waste Management will collect bulk items during your scheduled day once scheduled in advance. If the truck picking up your regular waste leaves the bulk trash, we will dispatch a second truck to retrieve these larger items. We ask that you be patient. Bulk items are objects too large for one person to handle, and typically include the following:

- Carpet – must be cut, roll and tie the carpet in lengths no greater than four feet, 40lbs max
- Appliances – must remove appliance doors and freon.
- Large screen TVs (42 inches and up)
- Furniture
- Mattresses, box springs, and cloth furniture must be wrapped in plastic with duct tape to ensure the safety of our people due to bed bug outbreaks.
- Lumber products – Please bundle and tie wood products in lengths no longer than three feet and weight of 40 lbs.
- Items more than 100 lbs must be called in to schedule a separate pickup.
